MICHAEL BURKENTINE
VP of Sales & Business Development
Burkentine Real Estate Group

Michael graduated from Penn State University with a degree in civil engineering. He was recognized as Engineering Student of the Year for his enthusiasm and outstanding performance within the college of engineering, University Park.

Michael's passion for innovation carried right into the family business. He grew the building business with his hands-on approach working with his team. His business development expertise initiated a successful re-brand and evolution of various new products. He currently leads a talented team and oversees all marketing for the Burkentine Brand. He also manages the National Investment Division and the Build & Sell Division; Currently working with investors selling new construction and multifamily products in the Mid-Atlantic Region. Passionate about his community, he is involved in various council boards along with mentoring programs at local high schools. His leadership in business development allows Burkentine to be a pacesetter in many markets.

BRYCE BURKENTINE
VP of Acquisitions & Real Estate
Burkentine Real Estate Group

Bryce graduated from Penn State University with a Master's Degree in Architectural Engineering. While pursuing his degree, he obtained his real estate license and several rental properties.

After graduating, Bryce was ambitious to grow the family business. His ambition and entrepreneurship mindset allowed him to realize the potential goals and opportunities in the real estate market. Realizing the growth potential in the real estate market, Bryce quickly worked towards acquiring land and passive income projects. Forming a land development team and managing the finances, Bryce was able to obtain approvals on projects while creating the proformas to obtain financing. His two brothers, Michael and Bryan, are key components to the construction and management of the projects under the Burkentine Real Estate Group umbrella.

BRYAN BURKENTINE
VP of Construction & Asset Management
Burkentine Real Estate Group

A graduate from The Pennsylvania State University, Bryan earned both his Bachelor's and Master's degree in Architectural Engineering while also obtaining his real estate license. Understanding efficiencies and sequences from small businesses he started early in his career, he was a perfect fit to manage and grow the rental construction and rental management businesses in the Burkentine Real Estate Group umbrella.

Bryan currently leads the construction and rental management team. He has been instrumental in growing the Burkentine Real Estate portfolio with his hands-on approach. Bryan's self-motivated attitude, attention to detail and lean management philosophy are what drives him through challenges and towards success. He enjoys bringing a fresh, innovated building design to the Mid-Atlantic region.

PAUL BURKENTINE
President
Burkentine Real Estate Group

Paul Burkentine, President of Burkentine Builders, Inc., along with his wife, Rajean, founded the company in 1989. Paul graduated from Penn State University earning a Bachelor's degree in Electrical Engineering along with obtaining his Masters degree in Engineering Science from Loyola University. After completing his bachelor's degree, they moved back to Hanover, PA in search of land to start their first business venture and in 1989, the Burkentine legacy began.

They built one home at a time and within five years Paul was building 30 homes a year. During this time Paul and Rajean had three sons Michael, Bryan and Bryce. This was truly the beginning of the family business. Having experienced exponential growth in such a short period of time Paul expanded his business opportunities to land development, residential rental properties and commercial rental properties.

Today, the company has expanded to Burkentine Real Estate Group and has grown into multiple companies including residential home building, engineering, land development, residential rental properties, commercial rental properties, property management and storage units. Burkentine has multiple development sites throughout central Pennsylvania and northern Maryland.

Burkentine is a family owned and operated business with a strong faith in God, core family values and the highest of integrity. "We focus on building a culture of happiness that inspires our employees and customers to challenge the status quo and allow families to live different."
